Dear Commissioner Powell:

When the Commission issued its Notice of Proposed Rule Making in Docket No. 99-25, looking towards the creation of LPFM stations, you issued a statement expressing concern that the new stations might cause electrical interference to existing stations.

Acting on behalf of Zillah School District #205 I have this day filed a Counterproposal, a copy of which is enclosed. I believe that this Counterproposal constitutes a viable alternative to the Commission's proposal and would alleviate concerns based upon electrical interference to other stations. I hope that the Counterproposal will receive serious consideration.

Pursuant to Section 1.1206(b)(1) of the Commission's Rules and Regulations, I am filing two copies of this letter with the Secretary's Office.

Very truly yours,

LAUREN A. COLBY
